

Country Representative: Russia

Dr. Alexey KARPOV

**Head of Speech & Multimodal Interfaces Lab.,
St. Petersburg Institute for Informatics and Automation of
the Russian Academy of Sciences (SPIIRAS), Russia**

<http://hci.nw.ru> ; karpov@iias.spb.su

Russian R&D organizations in speech technologies

- ❑ Institutions of the **Russian Academy of Sciences (RAS)**: St. Petersburg Institute for Informatics and Automation of RAS (www.spiiras.nw.ru), Institute of Control Sciences of RAS (www.ipu.ru), Dorodnicyn Computing Centre of RAS (www.ccas.ru), etc.
- ❑ National research **Universities**: ITMO University (www.ifmo.ru), St. Petersburg State University (www.spbu.ru), Moscow State University (www.msu.ru), Moscow State Linguistic University (www.linguanet.ru), Kazan Federal University (www.kpfu.ru), etc.
- ❑ Russian private **companies**: Speech Technology Center STC (www.speechpro.ru), Yandex (<https://tech.yandex.ru/speechkit>), Stel (<http://speech.stel.ru>), Speech Drive (<http://speech-drive.ru>), Auditech.Ltd. (www.auditech.ru), etc.
- ❑ Some military organizations and special federal security services
- ❑ Consortium “Russian Speech Technology”: <http://speechtech.ru>
- ❑ Russian scientific journal “Speech Technology”: www.speechtechnology.ru
- ❑ ISCA Geographical Outreach Sub-committee on Eastern Europe: <http://www.isca-speech.org/iscaweb/index.php/training?id=23>

Main Russian events related to speech technologies

❓ **SLTU-2014** Workshop, St. Petersburg, 14-16 May 2014 with a special focus on under-resourced languages of the Eastern Europe: www.mica.edu.vn/sltu2014

❓ The International Conference on Speech and Computer **SPECOM** since 1996: www.specom.nw.ru; 18th SPECOM-2016 co-organized in Budapest, Hungary on 23-27 August 2016: www.specom2016.hte.hu

❓ The International Conference on Computational Linguistics “Dialogue”, Moscow: www.dialog-21.ru/en

❓ ISCA Tutorial and Research Workshop on Experimental Linguistics **ExLing-2016**, St. Petersburg, 27 June-2 July 2016 (co-organized by SPIIRAS): www.exlingconferences.com

❓ 13th International Symposium on Neural Networks **ISNN-2016**, St. Petersburg, 6-8 July 2016 (co-organized by SPIIRAS): <https://conference.cs.cityu.edu.hk/isnn>
